I Will Never Stop - Bass

INTRO: B   D#   A#   B   E   C#   D   (4x)

VERSE 1:
```
B                              G#m7                    E
Come on, come on, All who are free     Love has redeemed you
                  B  (line: B  D#  A#  B  E  C#  D#)
Rise up and sing, louder
B                              G#m7
Come on, come on, if you believe
                  E                         B
Love has redeemed you, rise up and sing
```

CHORUS:
```
B                    F#       G#m7                      E
I will never stop loving You  You have never stopped loving me
B                         F#/A#        C#m7            E
There is nothing that the world can do  I will never stop  I will never stop
```

VAMP: B   D#   A#   B   E   C#   D   (2x)

VERSE 2:
```
B                              G#m7
Come on, come on, Oh can't you see
                  D                       B  D#  A#  B  E  C#  D#
What we've been given, What we could be
B                         G#m7
Come on, come on, If you believe
                  E                 B
Love is redeeming, rise up and sing
```
